Face Coverings

Face coverings are to be worn at all times when entering the FlightExec Centre. Participants can remove their face covering once they are ready to put on their helmet. At no point before this should a participant not be wearing a face covering.

As per By-law 46-2020, All persons entering or remaining in these premises shall wear a mask or face covering which covers the nose, mouth and chin as required under The Municipality of Thames Centre.

Entering the FlightExec Centre:

All participants are encouraged to arrive at the facility, dressed and **no sooner than fifteen (15) minutes before scheduled rental**. There is limited amount of space and time available within the changerooms. To allow for physical distancing, changerooms will only accommodate a maximum of ten (10) participants at one time. Standard rentals will be provided two (2) changerooms, per rental, allowing for a maximum of twenty (20) skaters per rental and up to five (5) additional coaches/trainers. If a user requires their skates to be tied, a coach or guardian may assist while wearing a mask but must exit the dressing room immediately. Due to gathering limits of 50 people, we will only be allowing one (1) spectator per family and we are encouraging spectators to not be in the facility if they do not need to be. Absolutely no stopping in the lobby to view on-ice users.

Each organization or renter who is utilizing the facility shall conduct a passive screening of all participants and spectators before gaining entry into the ice area. If an organization or renter does not have a screening tool, they can utilize this self-assessment document, below. Each organization will be responsible for retaining these screenings.

Dressing Rooms:

Participants are to follow the directional signage to the changerooms and ice area. Players are to stay in their rooms until the ice is ready and they will proceed onto the ice through the designated ice entry point in a physically distant format. Players who just exited the ice surface have fifteen (15) minutes to change and exit the facility through the identified exit. No player is to exit the dressing room until the other players have fully entered the ice surface.

At this time, there will be no keys provided for locking changerooms. It will be the responsibility of the organization or renter to monitor physical distancing and direct people to the appropriate locations.

Showers will not be available to users at this time.

Track Use:

The track is open to the public from 7:00 a.m. – 10:00 p.m. The public is to use the main stairs located in the lobby as the entrance to the track and to exit near seating section: A. See signage for more direction.

The track is not for ice rental warm ups.

Main Lobby and Hallways:

The FlightExec Centre Lobby is for in and out traffic only; this area is not for a warm viewing area. Users and spectators are to sit in the assigned seating within the South Rink Bowl.

Spectator Seating:

Spectators are to sit in sections **H, I, or J ONLY**. Do not access the track or upper track washrooms from your assigned seating area. If spectators need to use the washroom, they are to use the main washrooms located in the lobby. Absolutely no viewing from track railing.

On Ice Etiquette:

Players are to enter and exit the ice at the designated entry points. Once on the ice, coaches and participants are to partake in physically distant activities.

There are to be no more than four (4) users on each player's bench at one time.

Exiting the FlightExec Centre:

Participants and spectators who are within the facility will be required to exit through the main entrance in the designated lane. Users and participants are not to gather in the lobby and/or hallways.
